Indoor TV aerial with 1-band reception

SKU: ECTVANTCIRCLE

Watch TV without a satellite dish

Portable and suitable for any interior

The **indoor TV aerial** is the ideal accessory **for watching TV** in your **camper** or any other place where a satellite dish connection is not available. Connect the **integrated aerial cable** to the **TV** or **decoder**: the aerial will transmit the audio-visual signal. Its compact design makes it **easy to take anywhere** in a briefcase, backpack or trolley.

Easy to power

Plug the power supply into a wall socket, then connect the **IEC cable** to the aerial to make it work. You can also power it through your TV using a suitable cable.

Does not interfere with the Internet

It will never interfere with your smartphone's internet signal or Wi-Fi.

Key features:

- for indoor use
- with built-in aerial cable for TV or digital terrestrial connection
- portable
- power supply via IEC cable
- does not interfere with the Internet signal
- transmission standard: DVB-T/T2 T-Terrestrial, Full HD television, local digital UHF signal

Includes:

- 1 power supply unit
- Instruction manual

Indoor TV aerial with 1-band reception
