DisplayPort Male to HDMI Female 4K Adapter

SKU: ECVADADPHDMIMFK

Easily connect desktop or laptop PCs to monitors and projectors: this adapter guarantees excellent video quality

Easy connection between devices and screens
The **DisplayPort Male to HDMI Female adapter** allows you to connect your desktop or laptop PC to monitors, TVs and projectors with ease. Thanks to its compatibility with DisplayPort-equipped devices and the ability to transmit content up to 4K at 30Hz, this adapter is the perfect choice for those looking for video quality and convenience.

High Resolution 4K at 30Hz
With support for up to 4K resolution at 30Hz, the adapter **ensures sharp and detailed images**, perfect for professional presentations, watching high definition movies or using advanced graphics applications. You no longer have to worry about signal quality: the adapter maintains video integrity.

Compact and portable video adapter
Its **small size (68 mm x 23 mm)** makes it easily portable, ideal for those who often work on the move or need an instant solution for connecting different devices. The adapter's compactness does not compromise its performance, guaranteeing excellent signal transmission at all times.

Wide Compatibility
This adapter is compatible with a wide range of devices: you can connect your PC, laptop or desktop with DisplayPort to monitors, TVs or projectors equipped with HDMI input. It is the **ideal solution for offices, educational environments or home use**.

Easy to use
Simply connect it to your devices: **no drivers or complex configurations are needed**. The adapter works immediately, allowing you to pass the video signal from one device to another quickly and seamlessly.

What characterises it:

- displayport male to HDMI 4K/30HZ female
- Ideal for connecting desktop or laptop PCs to monitors, TVs, projectors
- Dimensions 68 mm x 23 mm
