

## 20-in-1 Cleaning Kit

SKU: ECCLEANSET20IN1

### The compact accessory that provides everything you need to clean your devices

#### Suitable for various devices

The **20-in-1 cleaning kit** is designed to accurately, **precisely** and **effectively** clean your smartphone, headset, camera, laptop, PC, keyboard and many other everyday electronic devices.

#### Cleans even the hardest-to-reach spots, thanks to the brush set and accessories

It comes with **20 ideal accessories** for **cleaning, dusting** and **sanitising** every part of the device: **screen, charging port, keyboard** and much more. Also included are practical tools designed to **safely remove the keys on a computer keyboard** in order to clean it better. You will also find a set of brushes and accessories designed to **remove dirt and dust** from **even the hardest-to-reach spots of your earphones**. Each accessory is adjustable thanks to its **extension**. You can also remove stains from your **display** thanks to the **integrated microfibre cloth** and spray bottle, which can be filled with water or any other liquid of your choice.

#### Compact size

All accessories are stored inside the practical box and lid. Slide the lever and a brush will also appear. Despite the wide range of accessories it contains, the box has very compact dimensions, **enabling you to carry it around** in your handbag or backpack without it taking up too much space.
