Toslink to RCA/3.5 mm jack converter

SKU: ECATOSLRCACONVERTK

Audio signal converter with power supply, USB - DC 5V charging cable included

This **converter with a metal body** is the perfect product for those who have a TV with Toslink inputs but don't want to forgo headphones or other audio devices that support jack or RCA cables.

The adapter is easy to use: you just need to connect the **Toslink cable** to the dedicated input of your chosen audio device. Connect the other end of the cable to the converter and insert the 3.5 mm or RCA jack connector into the appropriate input, depending on your requirements.

The converter can be powered thanks to the **USB - DC 5V cable** included in the package. Simply connect the USB connector to a travel charger or your TV and the DC 5V to the dedicated input of the adapter.

Features:

- Metal body
- Excellent sound playback
- 1 metre Toslink cable with transparent caps
- USB - DC 5V charging cable included
