

Remote control for Hisense TVs and Smart TVs

SKU: ECREMOTEHIS

A universal remote control specially designed for your Hisense television

Apps and streaming services at the press of a button

This Hisense TV* remote control offers easy access to all the options you need: changing between channels, adjusting the volume, teletext and much more. It is also great for Smart TVs: take direct shortcuts to your apps and streaming services from your remote control.

No installation required

Once you put in the batteries (2 AAAs), the universal remote control is immediately ready for use with no installation. Start watching your favourite shows right away.

Sturdy design with an operating range of up to 8 metres

Made from high-quality ABS, it is durable and long-lasting. Furthermore, the operating range of 8 metres ensures comfort and practicality.
