Aluminium hub with 3 USB 3.0 ports, USB-C output up to 100W, HDMI port for 4K Ultra HD

SKU: ECITHUBHDMI4USBIN

Connect 3 peripherals to your laptop or pc, charge your device up to 100W or connect a monitor to take advantage of 4K Ultra HD resolution

This **multiport hub** in aluminium is an extremely versatile accessory. Connects to your compatible pc / laptop / phone thanks to the **USB-C** connector, which has a cable of just 10 cm in length.

With three USB-A 3.0 ports, you can connect peripheral devices such as a pen drive, mouse and keyboard. The data speed is around **5 Gbps** which means you can transfer large amounts of files in a matter of moments from one device to another.

The multi-port HUB can receive a **maximum power of 100W**. This way, you can even power your laptop, notebook, compatible PC through the USB-C port.

The **HDMI female port** allows connection to another monitor or TV: you can take full advantage of the **4K Ultra HD** technology and watch live videos or programs in high resolution.

FEATURES:

- USB-C cable to connect the hub to your pc / laptop
- 100W Power Delivery
- 3xUSB 3.0 for peripherals such as mice, keyboards and pen drives
- HDMI port to connect a monitor / TV and take advantage of 4K Ultra HD 30hz
- Aluminium housing
- Data rate: 5 Gbps
