Remote control for Panasonic TVs and Smart TVs

SKU: ECREMOTEPANA

A universal remote control specially designed for your Panasonic television

Apps and streaming services at the press of a button

This **Panasonic TV* remote control** offers easy access to all the options you need: changing between channels, adjusting the volume, teletext and much more. It is also great for **Smart TVs**: take direct **shortcuts to your apps** and streaming services from your remote control.

No installation required

Once you put in the batteries (2 AAAs), the universal remote control is **immediately ready for use** with no installation. Start watching your favourite shows right away.

Sturdy design with an operating range of up to 8 metres

Made from high-quality ABS, it is durable and long-lasting. Furthermore, the operating range of 8 metres **ensures comfort and practicality**.
