Universal remote control for air conditioning

SKU: ECREMOTEAIR

The ideal accessory for controlling the temperature of your room in winter and in summer

With the **universal remote control for air conditioners** you can easily control any type of air conditioner **Samsung, Daikin, Mitsubishi, Haier and other brands from a distance of** up to **8 metres**.
In addition to controlling the temperature, this remote control allows you to **direct the airflow** by adjusting the ventilation fins, set the **on/off timer**and **control the fan speed on 4 levels**. Also, by pressing the yellow button with light bulb icon, you can activate the handy **built-in torch**.
Choose comfort: the temperature of your room will always be ideal.
Features:

- LCD screen
- Power on/off and timer setting function
- Two-mode airflow control
- Fan speed control on 4 levels
- range up to 8 metres
- Torch with blue light
