

Cable HDMI V1.4 con Ethernet a mini DisplayPort

SKU: ECVHDMIMINIDP18K

HDMI cable for high resolution video in full HD, Mini Display Port connector with Ethernet function, 1.8m long.

This **HDMI cable V1.4** allows you to connect your PC to another monitor or TV to watch videos or movies in high resolution (Full HD, 1080p)

The audio and video performance is excellent; the signal is transmitted very fast to the connected devices. **Colour, sound and detail will be enhanced on the screen.**

The **Mini DP** connector also has Ethernet function, i.e. you can share an internet connection between multiple devices.

The cable is practical and versatile and adapts well to tight spaces: 180 cm long, it is provided with **anti-kink protection**.

Features:

- Supports high audio/video resolution: Full HD, 1080p
- HDMI connector
- Mini Display Port with Ethernet function
- Length: 1.8 m
- Anti-kink protection
