

Type F male to female coaxial satellite cable

SKU: ECSAT30COAXFMW

Cable with Type F male and female connectors, anti-kink protection and double internal shielding, length 3 m

This **coaxial satellite cable** guarantees the quality of connection between antenna or video recorder and TV or decoder.

This **3 metre long** accessory is equipped with a **Type F female** connector for the satellite and a **male connector** for the devices to be connected.

The soft touch finish and the **anti-kink protection** make it easy and versatile to use even in tight spaces.

The double internal shielding ensures **constant audio/video signal definition**, reducing losses to a minimum.

Features:

- Two Type F male - female connectors
- Double shielding
- Anti-kink protection
- Soft touch finish
- Length: 3 metres
