

HDMI cable for 4K Ultra HD with Ethernet

SKU: ECVHDMI30MMW

HDMI cable for high resolution video in full HD, gold plated connectors with Ethernet function, 3 m long.

This **HDMI cable** allows you to connect your PC to another monitor or TV to watch videos or movies in **Ultra HD 4K** resolution.

The audio/video signal transfers rapidly between devices. The colour clarity, depth and sound are always excellent.

The **gold-plated connectors** also feature an **Ethernet function**: you can share an internet connection between multiple devices.

The cable is **3 m long** and can be safely used in tight spaces to connect devices that are spaced far apart.

Features:

- Supports high audio/video resolution
- Gold-plated HDMI connectors
- Ethernet function
- Length: 3 m
- Anti-kink protection
