

Universal 2-in-1 multi-brand remote control

SKU: ECREMOTE2

Remote control, compatible with TV and Smart TV to control two devices, made in ABS, transmission range over 8 metres

This **universal multi-brand remote control** is designed to control **two devices**: your TV/Smart TV and another device such as a DVD/Blue Ray player, VCR or decoder.

The operating range is **over 8 metres**: you can easily use this accessory even from a distance. It is made in **quality ABS** that gives the device strength and durability.

Installation is easy and it is possible to activate the **learning function**. You can replicate the functions of the original remote control on this device. Connection is carried out by means of the infrared emitters of the two accessories.

Features:

- Universal multi-brand
- Learning function
- Material: ABS
- Operating range: over 8 metres
- Batteries: 2 AAA (not included)
