Compressed gas for cleaning office equipment

SKU: ECSPRAYDUST400ML

Spray duster to eliminate dust from keyboards, PCs and printers, 400ml

Cleaning PCs, keyboards and printers will be easy and fast with this 400ml ***compressed air spray*** can. The compressed gas allows you to permanently remove dust and dirt.
You will need to turn off your devices, disconnect them from the power supply, and **wait for them to cool** before using the spray. Also, before using, remember to spray a small amount of gas in the air.
The long tube supplied with the spray allows you to reach **the toughest points** and means you will always have clean and perfectly functioning equipment.
Work with **efficient equipment** thanks to this practical compressed air spray.

Features:

- Capacity: 400ml
- Length of tube: 15cm
